# Emergency Plumbing

An elderly woman with short white hair, wearing a light blue cable-knit sweater and grey trousers, stands in a living room. She is wearing bright red rubber boots and holding a blue mop with a wooden handle. A blue bucket sits on the floor next to her. The floor is dark and reflective, showing a clear reflection of the woman and the mop. The background shows a cozy living room with a brown leather sofa, a wooden bookshelf filled with books and decorative items, and a lamp with a warm glow. The overall atmosphere is one of a domestic emergency situation.

We prioritise vulnerable customers where possible.

Emergency Callout Fee: £80

Labour (if required): £25/hour thereafter.

You'll always know the cost upfront.
